## EXHIBITORS' RULES AND REGULATIONS

The Master Superintendent and Executive Officer of the fair will interpret these rules and regulations.

- 1. Open class exhibits: All open class exhibits may be turned in on Thursday preceding the fair from noon to 6pm.*
- 2. Exhibiting is free and open to anyone in Alaska.*
- 3. All entries must have been completed in the last year.*
- 4. All exhibits must be entered in the proper department with all information required on the entry form. Any form not properly filled out may cause that entry to be disqualified; and ribbons may be forfeited.*
- 5. No names or other identifying information may be displayed at the time of judging.*
- 6. If there is not a lot for your entry, please see the Master Superintendent.*
- 7. No exhibit may be offered for sale during the fair.*
- 8. No exhibit will be allowed to be entered in more than one lot with the exception of livestock.*
- 9. Ribbons will be awarded according to merit.*
- 10. The exhibit hall will be closed for judging until noon on Friday.*

*The fair board will take every precaution to preserve and protect exhibits, and is not liable for any damaged or stolen items.*

***The Exhibit Entry Supervisor reserves the right to limit excessive exhibit entries, including animals. There is no limit on the number of ribbons that may be awarded.***

## SPECIAL EXHIBITING INFORMATION FOR ALL ANIMAL ENTRIES

1. All livestock whether open class, 4-H or FFA must be pre-registered to insure stall space.
2. Pre-registration deadline for all open entry livestock shall be the Wednesday before the fair by 1:00 pm. Open class may pre- register on-line at [www.kenaipeninsulafair.com/exhibits](http://www.kenaipeninsulafair.com/exhibits) All open class animal exhibits will be entered on Thursday of Fair week, between, the hours of 3:00 pm to 7:00 pm and will remain until 4:00 pm on Sunday.
3. **NO HORNED ANIMALS** other than certain exotic breeds such as Angora or Cashmere goats, or Dexter cattle may be entered. Exceptions must be agreed upon by Executive Director, and Livestock Superintendent.
4. **The fair veterinarian must check all animals and a release must be signed before the animal is unloaded.**
5. The exhibitor must furnish feed and bedding.
6. The exhibitor will be responsible for the care, feeding, watering and cleaning of their animals and stalls until their animal leaves the fairgrounds. If the exhibitor fails to provide proper care for the animal he/she may, be asked to remove the animal from the fairgrounds or have the cost of providing those services deducted from all sale proceeds (relating to the participants of the Junior Market Livestock sale). If the exhibitor knows ahead of time that he/she will be unable to care for his/her animal twice daily, he/she must find someone who will do so. An agreement must be made with your caretaker before bringing your animal to the fair. An agreement with your caretaker must be filed with Superintendent of that Department when you enter your animals.
7. Judging of animals will begin Friday at 9:00 am.
8. When three or more of the same breed or same crossbreed is entered in "other", the Superintendent and Judge, at their discretion, may establish a new lot for judging and awards.

**ALL LIVESTOCK MUST BE FREE FROM ALL STAGES OF INFECTIOUS AND CONTAGIOUS DISEASE.**

*THE KENAI PENINSULA FAIR ASSOCIATION RESERVES THE RIGHT TO REJECT ANY ENTRIES DEEMED UNFIT BY THE SUPERINTENDENT AND/OR THE VETERINARIAN.*

## JUDGES

1. **PLEASE DO NOT AWARD PRIZES TO UNWORTHY ANIMALS OR EXHIBITS.** It is the intention of the Board of Directors that no ribbon or distinction of any kind should be given any animal or article that is not deserving.
2. Vegetables and horticulture exhibits: Please judge based on the exhibit according to its condition at time of judging.
3. When there are fewer than three (3) entries in a lot, award a prize or prizes based on merit, not comparatively.
4. Report to the Superintendent any exhibitor who in any way interferes during the judging process, or shows disrespect to the judges.
5. No person shall act as a judge in any lot in which there is any direct or indirect interest as owner or agent. The judge shall excuse himself or herself from that lot. If awards are made in violation of this rule, the Board of Directors reserves the right to appoint a new judge whose placing of the lot in question will supersede any previous scoring.
6. Ribbons will be awarded according to criteria listed in the Exhibitor's Guide. Ribbons and awards will be 1st blue, 2nd red, 3rd white, and shall be based upon merit.
7. In the event of protest duly filed (see **PROTESTS** below) the judge shall be asked to reconsider the items in question and may amend the decision. The Master Superintendent's decision shall be final.
8. A judge may not alter or add divisions and classes. New lots may be created at the discretion of the Master Superintendent only.

## PROTESTS

1. All protests must be presented in writing to the Master Superintendent or Executive Director, by the exhibitor, and must be accompanied by a deposit of \$10.00. The deposit will be forfeited if the protest is not sustained.
2. Protests must be received within 24 hours of the exhibit hall opening to the public.
3. Protests must state plainly the cause of complaint or appeal.

## EXHIBIT CHECKOUT

Exhibits may be checked out between the hours of 4:00 pm and 6:30 pm on Sunday, the last day of the Fair. NO VEHICLES are allowed to move on the grounds until 6:00 pm. Checkout attendants will be at their departments at 4:00pm.

**Creative Crops Arrangement Judging Criteria**

*ARRANGEMENT/CREATIVITY..... 40 POINTS*

*OVERALL QUALITY AND CONDITION...35 POINTS*

## Department 8. FLOWERS

- 1. An appropriate container for cut flowers is required. Cut flowers not in appropriate containers will not be accepted for exhibit.**
2. Professional growers and florists are encouraged to enter and will be awarded the same ribbons and prizes as are awarded amateur but must indicate that they are Commercial/Professional on their exhibit tag.
3. **Foliage:** All specimens must have self-foliage attached to the stem of their entry, with the exception of Gladioli, Dahlia and Begonia classes. No foliage on stems below water line.
4. **Blooms:** A lightly closed bud or one that has not sufficiently expanded to show the typical form and beauty of the coming bloom is not acceptable as a bloom.
5. **Grooming:** Flowers and plants should be groomed to remove dirt and spray residue, as well as dead foliage. Specimens may be groomed in any way which does not alter their typical features.
6. **Judging:** Judges will be looking for uniformity of size and presentation, e.g. – If a lot calls for 6 blooms, take care that they are similar in size and maturity.
7. **\*No endangered species or invasive plants will be accepted. For more information contact the cooperative extension web site at [www.uaf.edu/ces/cnipm/plants](http://www.uaf.edu/ces/cnipm/plants)**

### DEFINITION OF TERMS

**ARRANGEMENT:** The end effect of using fresh cut material to create a design according to art principles. The use of anything other than fresh cut materials, be it in or on the container, or placed apart from the container, (i.e. background fabrics, figures, etc.)

**CONDITION:** The physical state of the bloom or plant at the time judging

**DISTINCTION:** The element that separates the entry from the common place and makes the best and most lasting impression of all

**FORM:** Shape of bloom or habit of plant growth typical to variety

**ORIGINALITY:** A new use of an ordinary material

**SUBSTANCE:** Firmness, quality, and uniformity of petals.

**SPIKE** is a specimen with short or long inflorescence usually unbranched except in Delphinium. Florets surround the main axis at close intervals with buds developing on the elongated tip, as in Lupine, Delphinium and Gladiolus.

**SPRAY** consists of one stem (not a branch) with or without a central flower or bud. Any erect spray with lead bloom open will be acceptable. Nemesia, Cosmos and Godetia are spray types.

**STALK** designates a stiff stem, branching or not, with one or more flowers such as Clarkia, annual Larkspur, and Lily.

**STEM** is the main axis of a plant.

**BLOOM** is used to designate an individual flower terminating a stem, such as exhibition-type roses.

## Department 19. FIBER & FLEECE ARTS

Fiber Arts entries can be exhibited in three ways;

- A. Raw Fleece
- B. Hand Spun Skein of Yarn
- C. Finished Product of Natural Fibers

### A. Raw Fleece

1. Exhibitors may show only two fleeces per class.
2. Judges may, at their discretion, change the class of the entrant fleece without prejudice or penalty to the exhibitor.
3. Fleeces shall not be more than 12 months growth, according to the definition commonly accepted by the wool trade.
4. Wool Fleece categories: (numbers refer to fiber measurements.)
  - a. • **Fine:** fine combing 64-80's
  - b. • **Medium:** 3/8's blood combing 56's to 58's
  - c. • **Long Wool:** low ½ blood combing 46's to 48's; Common, 40's to 44's; Braid, 36's or coarse.
5. Exotic Fleeces will follow all guidelines except for number 4, which pertains only to sheep wool types (Exotic refers to non-sheep fibers/hair such as alpaca, yak, cashmere)
6. Place all types of fleece in a clear plastic bag with NO TIES. Fleece tied will be declined by superintendent. Fleece must be skirted and free from most vegetable material.
7. Tag fleeces with the exhibitor's name, breed and sex of fleece represented, division, class and lot number.
8. Judging Criteria: Fiber type typical of the breed. Evenness of quality throughout the fleece. Strength of staple. Estimated clean weight, condition, character, including crimp and color
9. The Department Superintendent has the discretion to decline extremely dirty fleeces.

### B. Hand spun skein of yarn – must be in a skein, not a ball

1. **1. Traditional Spun Skein**
  - a. a. Must be at least 75% natural fiber with the other 25% accepted as accents
  - b. b. Evenness of spun length
  - c. c. If plied, well balanced finished product/skein
  - d. d. Displayed well, appropriately tied (use the yarn of the skein to tie the skein)
2. **2. Novelty Spun Skein** – will include, but not limited to; boucle, slub, spiral, wrapped, tail or core spun – identify the style you are replicating
  - a. a. Must be at least 75% natural fiber with the other 25% accepted as accents.
  - b. b. Evenness of spun length for the type/style of yarn
  - c. c. If plied, well balanced finished product/skein
  - d. d. Displayed well, appropriately tied (use the yarn of the skein to tie the skein)

### C. Finished product constructed of natural fibers

Must be at least 75% natural fiber with the other 25% accepted as accents
